Follow God's direction
One step at a time

Genesis 13: 8 - 18

Good Morning and Welcome to Worship!

Last week Callum was encouraging us to "Come join our Army – to battle we go" and my thoughts this week fall into a similar vein in that Abraham and Lot decide to go their different ways with Lot apparently getting the better deal. But God promises Abraham that He would be with him all the way giving Abraham directions "One step at a time". God bless you

Richard

The gift of flowers greatly enhances our worship environment, this week we thank **Wes & Shauna**.

Suitcases for Kenya!

It's just a few weeks until some of our corps family makes their long anticipated and worked for trip to Kenya. We secured a very generous baggage allowance from Lufthansa meaning each member of the group is able to take an additional 23KGs of Luggage with them- a whole extra suitcase!

Thanks so much for the big supply of suitcases for the Kenya trip! We could still use a couple more, along with any of the following items:

Pens/Pencils

Colouring Items

Craft Items/Kits

Stickers

Balls (deflated!)

Bubbles

Balloons

Tambourines

Salvation Army Tunebooks

Next week we'll publish a list of things that we're after in case anyone has anything lying around (although we recognise that people have been very generous already and don't want to put an extra financial ask on people!) But, what we are after is suitcases to transport it all.

Ideally, we're after old suitcases (that might be taking up space on top of your wardrobes!) that we can leave there. Aside from that maybe you have one that you'd be happy to loan us- but, we can't guarantee that it won't get damaged by baggage handling etc. If you're able to help, please see Callum.
