“We need another Pentecost”

Acts 1:1-8, 12-15; Acts 2 16-21

Callum & Berri return from Ireland on Tuesday in the meantime if there is any urgent matter please phone Anne & Richard 01303 268354 or 07951 000089.

Good morning & welcome to worship...

Normally the message on our newsletter is related to the thought for our meeting. But I've struggled with that this week. Then on Saturday morning a "Memory" video appeared on Facebook of the visit of the gracious members of the Japan Staff Band marching through our High Street. That set me thinking about all the times we have met and mingled with Salvationists from right round the world. Holland, USA, Japan, Australia and Africa, as well as from all over England.

We have travelled to Scotland, Estonia, France, Argentina and some are going to Kenya and all with one mission – to spread the Good News, and to encourage each other. Ah! Isn't that what our Pentecost celebrations are about? The start of the church and encouragement to spread the Good News? I hope and pray that you will be encouraged to do just that, you don't have to shout it from the roof tops, just that simple invitation to come and join us in worship.

God Bless you

Richard

Prayer Requests Please... please let Richard know of anyone in our church family who needs our prayers please 07951 000089...

Please remember those of our corps family who are unwell or recovering from surgery including:-

Hello Callum,

I visited my neuro surgeon last week and they have finally decided to perform a procedure to relieve the pressure on my brain. I think they have been trying to avoid this due to my advanced years (ha ha) and previous health problems.

I am now waiting to be called anytime in next 2 to 6 weeks. I will be going to London hospital for neurology and hope and pray for a speedy recovery. I will keep you informed but cannot tell you anymore at the moment.

Marion

I hope you and all my friends at Hythe are well.

Jan Barman is recovering from an eye operation.

The gift of flowers greatly enhances our worship environment. Today we thank **Thelma**.

This Week-

Help Needed...Trip to Kenya!

As many will be aware, 13 members of the youth group (and a few others!) are heading on a mission trip to Kenya next Easter. This will be an incredible opportunity for them to widen their understanding of the Church, to see what God is doing in a completely different context and to join in! Everyone who is going is paying a significant (if not all) portion of the expense but between now and then there is a lot of fundraising to be done- both to cover the remaining balance and, perhaps more importantly, to be able to resource the projects that we will be joining in with in Kenya.

We are always incredibly grateful for the support of the Church family in nurturing and caring for our young people and we would ask you, primarily, to take an interest in the young people and what they are doing to achieve this goal- encourage them and pray for them! There will, over the coming months, be several other ways to participate through a variety of events but we don't want this to become burdensome or pressurised for anyone.

The first way that you can help, with regards to fundraising, is to support the car boot fair stalls which some of the youth are planning to hold. Karen and Alex Bridges are taking the lead on this, and are keen to have donations of good quality items to sell! Karen will be here next Sunday and able to arrange the best way to get your goods from you.
